Smooth **Curves**

If a more traditional design is what you're looking for, then you're in luck. Set apart from typical geometric-shaped pools, there's plenty of room for splashing around as well as relaxing, recreation and entertaining in these curvaceous designs

Design Features:

- Ample seating areas for relaxing and entertaining on a hot day
- Corner swim-outs for easy exit from the pool
- Wide entry steps in the Maxi-Swim that double as a seating area
