DECRAFLEC RANGE

JEWEL RANGE

SELECT your hero colour from Sapphire Pools extensive colour palette.

From tranquil greens & natural sandstone finishes to sparkling blues, there is sure to be a colour that reflects the unique personality of you and your home.

SUPERIOR COLOUR THAT WILL NOT FADE

Pool ColourGuard® is a world first, non-fade surface protection system for fibreglass pools.

Backed by a manufacturer direct, Lifetime Interior Surface Guarantee*, a pool with Pool ColourGuard® will remain vibrant for years to come.

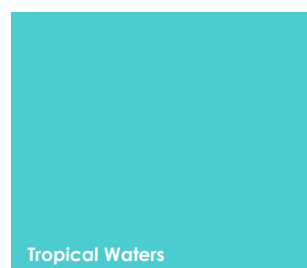

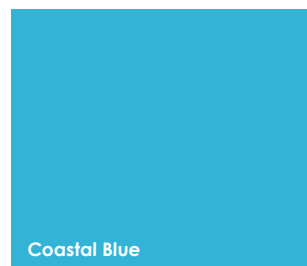

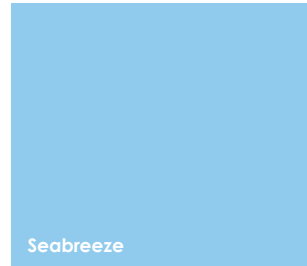

When you choose a pool with Pool ColourGuard® you can expect a long list of unique benefits including the following:

- **Brilliant, vivid pool colour that will not fade or change**
- **Highest protection against UV rays and pool chemicals**
- **Stunning, high gloss finish never before seen on swimming pools**
- **Lasting gloss retention**
- **Protection against blisters and cracks**

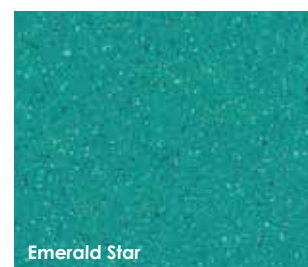

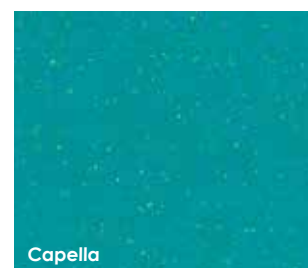

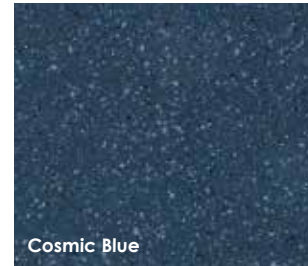

PoolColourGuard®
Advanced Technology in Fibreglass Swimming Pools

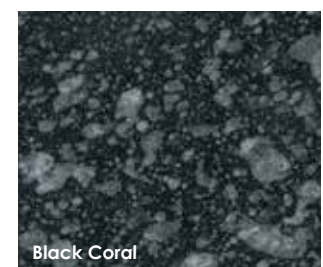

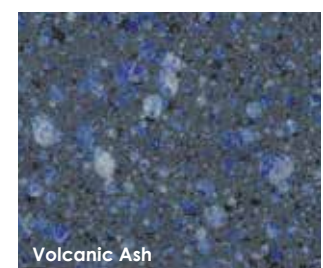

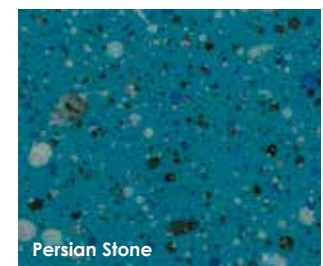

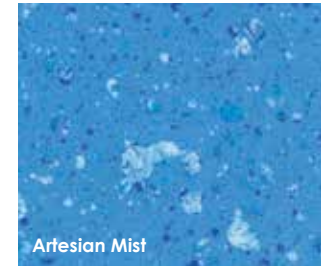

CLASSIC SERIES

STARLIGHT SERIES

MARBLE SERIES

Every effort has been made to represent the true colour, however variations may occur due to the printing process. The final product may be subject to a colour variation of +/- 15% due to climate conditions and the manufacturing process. Pool ColourGuard® is only available through authorised pool builders such as Sapphire Pools. *Conditions apply.
