# THE LAP POOL SERIES

**Sleek, stylish and cleverly designed, the new Lap Pool Series offers two contemporary models perfect for serious lap swimmers or those who simply want more pool space to enjoy.**

At 11m in length, the **Ultimo** is the ideal pool for exercise and the constant depth of 1.4m allows for tumble turns at each end. Side entry steps at both ends on one side give uninterrupted swimming length and are the perfect spot to sit and relax. Safety ledges on both sides of the pool provide a good rest point along the way, especially for small children\*.

The slim width of 2.5m means both the **Ultimo** & **Primo** can fit into narrow spaces, such as side of house installations#.

\*Children should be supervised at all times.  
#Minimum distances from boundaries apply, as per Shire regulations. All measurements are internal to the waterline.
