

Our **Number One** Design

The contemporary geometric style of this range has made it our best selling design year after year. With eight sizes to choose from, there is one to suit any outdoor space, big or small. With a generous swimming area these pools can be enjoyed by your whole family for hours of fun and relaxation. The attractive modern design will complement your outdoor area for many years to come.

Design Features:

- Extended seating ledge running along one side
- Unobtrusive side entry steps
- Safety ledge on the Westminster & Kensington

All quoted dimensions are internal to the waterline.
