Enjoy a
Sapphire
pool!

Superior Quality

Congratulations! You have taken the first step towards enjoying many summers with your family in a Sapphire pool.

Here at Sapphire Pools, creating happy family memories is our goal. Since 1970 we have provided our pools to thousands of WA homes with one mission in mind – bring ‘fun in the sun’ to WA families by offering the best pool at an affordable price. We offer a large range of designs from traditional kidney shaped styles to modern round plunge pools perfect for small spaces.

For the best quality pool from our team of experts, look no further than Sapphire Pools.

Superior Colour Retention

Available with patented Pool ColourGuard® surface technology, which resists the effects of UV rays and chemicals, providing superior colour retention.

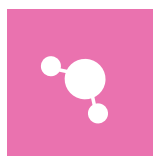

Quality Assured

Certified to build to AS/NZS 1838:2021. We are measured and tested by an authorised, independent auditor. Anyone can say they build to the Standard. For your peace of mind always ask for a license number.

Lifetime Warranty

Extended Lifetime Structural Warranty – our commitment to providing extended warranties above those standard in the SPASA contract.

Anti-Microbial Protection

Microtech Anti-Microbial Pool Protection guards the pool's surface against the growth of bacteria, making it exceptionally hygienic and safer for your family.

Superior Strength

Full sized structural ribs, fully supported steps and bench seating and a wider edge beam mean the pool is independently structural. Graphene Nano-Tech® technology gives our pools 30% more strength.

Superior Materials

All pools are manufactured using new generation, high performance, corrosion resistant, eco-friendly fibreglass with improved strength and stiffness. Our onsite gelcoat manufacturing facility means daily batching for a better product.

Made In WA

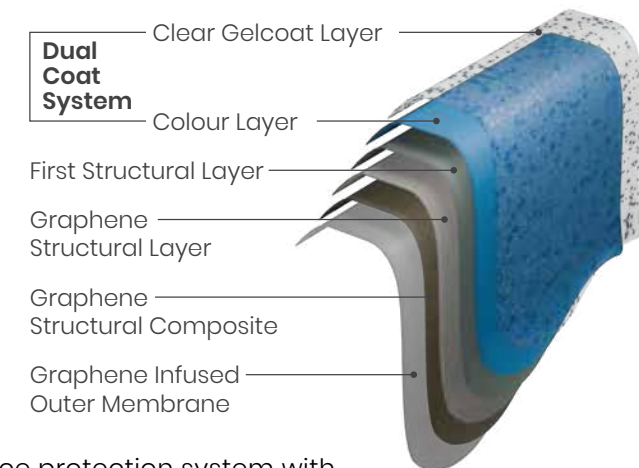

All pools are individually made to order, to suit local conditions, at our Jandakot manufacturing facility, the largest and most technologically advanced pool production premises in WA.

6 Layers of Strength

Every Sapphire pool is constructed using advanced manufacturing techniques and specialised high-performance materials.

Our durable six layer system has been developed from ground-breaking technology that protects the pool's surface using a dual-coat system that guards against UV rays and chemicals. Patented Pool ColourGuard® surface protection provides a barrier against weathering, giving our pools lasting colour retention.

Pool ColourGuard® is the only dual surface protection system with a clear layer protecting the colour layer. Seventeen years on, the patented technology remains unmatched today. It is also the only pool surface protection system with a Product Excellence Award.

What does this mean for you? Your pool colour will look better and last longer than any other surface finish. Only genuine Pool ColourGuard® can offer you these benefits, beware of imitations.

Ground-Breaking Technology

Now infused in every Sapphire pool, patented Graphene Nano-Tech® is the latest advancement in swimming pool construction, incorporating graphene nano technology to bring you the strongest fibreglass pools available today.

Graphene is 200 times stronger than steel and stronger than titanium, so it's no wonder our pools are stronger than ever before. Used in swimming pools, graphene nano technology improves the qualities of the fibreglass laminates, providing the following benefits:

Superior Strength

- 30% stronger than before
- Increased strength and rigidity
- Increased flexural strength

Lighter in Weight

- Graphene is extremely light, giving our pools superior strength without added weight.
- Pools are stronger without being heavier
- Lighter for transport and crane lifts

Superior Resistance

- Pools with Graphene Nano-Tech® have a higher resistance to water and moisture transpiration
- Higher resistance to chemicals
- Increased laminate durability
- Improved corrosion barrier

A pool with Graphene Nano-Tech® is built like no other and is the next generation of fibreglass pool technology.

Award Winning Pools

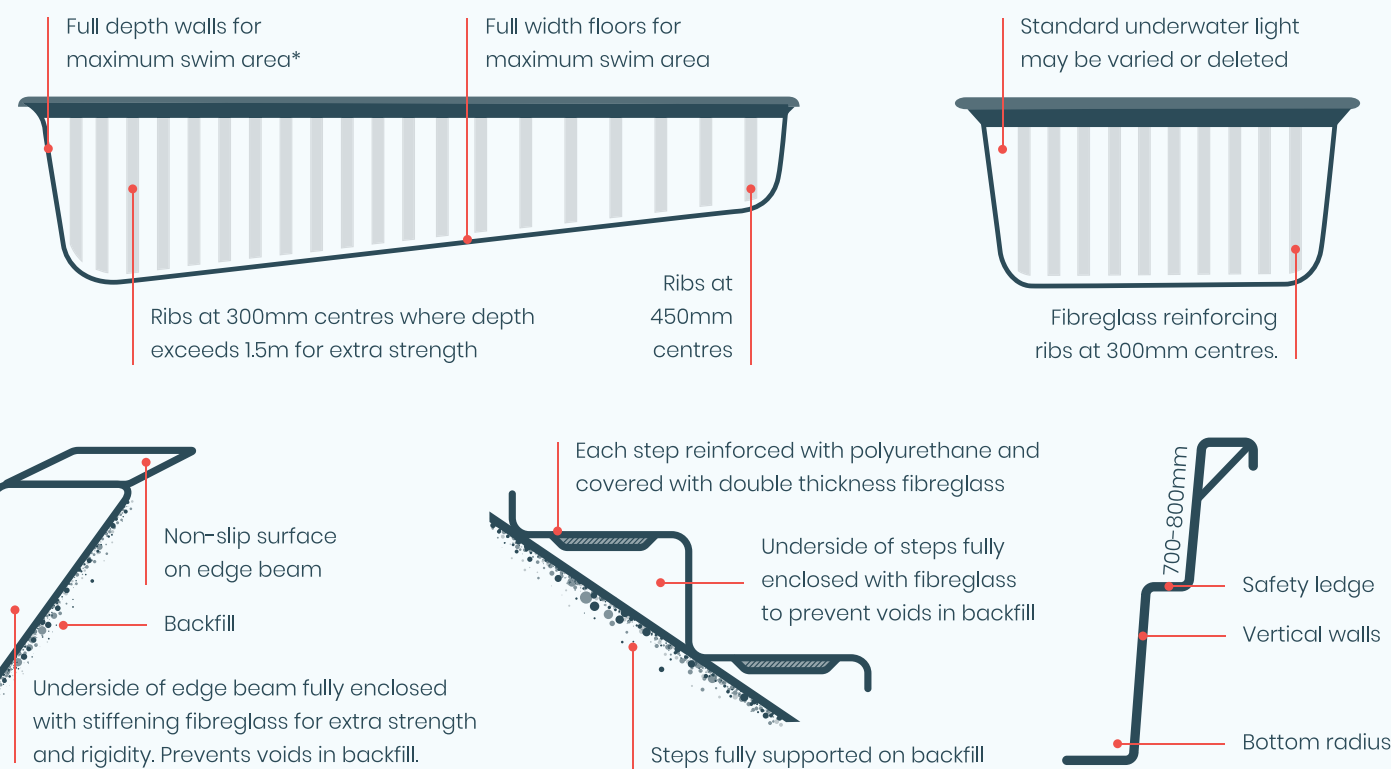

The proof of our commitment to quality is in the number of industry awards we have received over the years. Our trophy cabinet includes many local and national awards from the Swimming Pool and Spa Association of Australia (SPASA). We are also proud to have been awarded gold at the Pool & Hot Tub Alliance (USA) Awards of Excellence.

Our range of plunge pools are the only Design Certified (registration number 202015562) round fibreglass plunge pools in Australia, available exclusively from Sapphire Pools. It's no wonder they were awarded Gold at the SPASA Awards of Excellence in the Innovative Product category.

Take a browse through our trophy cabinet and you will see our dedication to building the very best swimming pools available.

Superior Pools Built to Last

* Excludes safety ledge

Super Safety

We also offer an exclusive safety range of swimming pools with a unique safety ledge, available in a selection of sizes to suit your needs. Ideal for families with young children or situations where adults need extra safety in the pool, the safety ledge also has the added advantage of giving the pool increased structural integrity.

Our safety ledge is available on the Regal, Imperial, Grandeur, Aspen, Regency, Royale, Dynasty, Duchess, Duke, Chateau, Windsor, Princeton, Westminster and Kensington models.

The Finishing Touches

There are many options you may like to consider with your new Sapphire swimming pool. Many of these items can provide the finishing touch to your family entertainment area. Ask one of our friendly and skilled Sales and Design Consultants to discuss in more detail any of the below options:

Sapphire Pools can offer:

- Landscaping Services
- Headers and Paving
- Fencing
- Water Features
- Pool Heating
- Automatic Pool Cleaners
- State-Of-The-Art Equipment

Our Range

Infinity 3.0 - PCG Autumn Grey

Provincial - Indigo Snow

Conquest - PCG Horizon

Design Features:

- Step for easy entry and exit
- Optional spa jets for a complete hydrotherapy experience
- Can be installed inground or partially out of ground
- Only Designed Certified round fibreglass plunge pools in Australia

Infinity 3.0 - PCG Hamptons Blue

Terrace 3.0 - PCG Graphite

Conquest - PCG Delta Blue

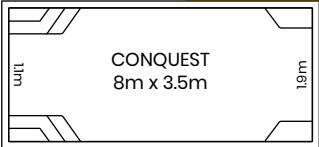

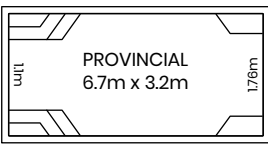

Our Round Plunge Pools

Make your small backyard even more functional and stylish with a round plunge pool. Enjoy the private pool experience without needing a lot of room and enjoy this wonderfully relaxing and tranquil space.

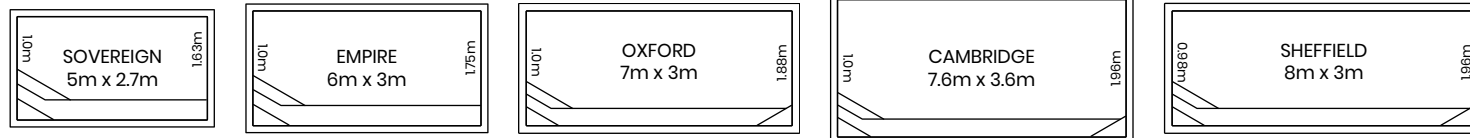

Design Features:

- Stylish, sophisticated modern design
- Unobtrusive side-entry steps on both sides
- Twin safety corner swimouts in the deep end

Something for Everyone

Our top selling design, this model comes in a size to suit every home. Never out of style, this is a contemporary pool with lots of uninterrupted play space. With eight options for backyards of all sizes, there's something for everyone. On one side you have end to end swimming while on the other, the long bench seat is a great spot to chill out while keeping an eye on the kids.

Kensington - PCG Hamptons Blue

Oxford - PCG Sky Blue

Cambridge - PCG Platinum

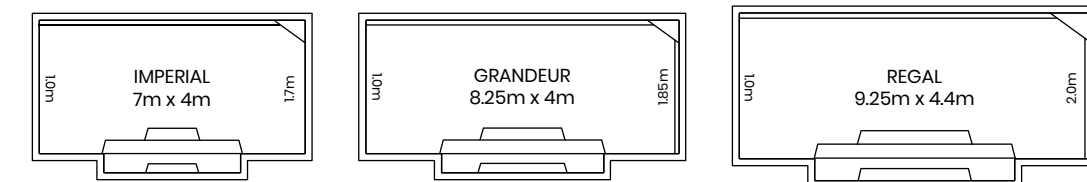

Regal - PCG Twilight

Regal Rectangles

This series is a sophisticated pool design that is the ideal fit for today's modern homes. The stylish side entry steps create a natural connection point between home and pool area. Wide entry steps allow you to enter your pool in style and once you're in, the swimming area is boundless. Any pool in this series will be an eye-catching addition to your backyard.

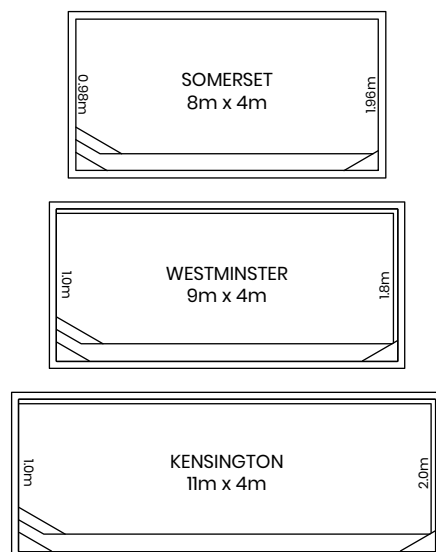

Design Features:

- Wide entry steps with entrance to both shallow and deep ends
- Extra-large second step provides the perfect seating area
- Unique safety ledge, ideal for children and those learning to swim
- Simple yet practical design – three size options for any outdoor area
- Extended Lifetime Structural Warranty

Design Features:

- Modern, sleek, geometric pool design
- Unobtrusive side entry steps, maximising the swim area – larger models are an ideal lap pool
- Extended bench seat for relaxation and added safety
- Deep end step
- Safety ledge – Westminster and Kensington

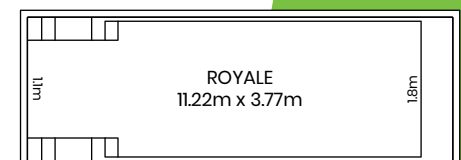

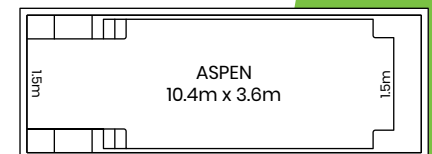

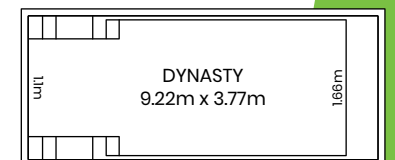

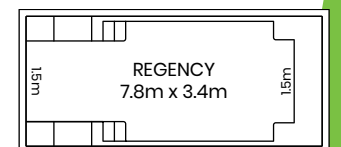

Design Features:

- Unobtrusive, side-entry steps
- Extended 2.5m bench seating area
- 2.6m width is a perfect pool size for small and narrow backyards
- Safety ledge for added peace of mind

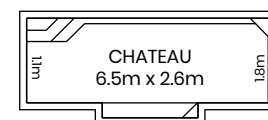

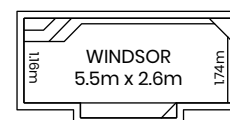

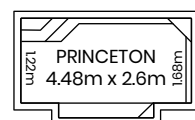

Superbly Spacious

If you have room in your backyard this is the range for you. These pools aim to maximise both safety and fun in the sun. They feature a design generous in length for swimming and recreation, with a safety ledge along both sides of the pool. Bench seating also offers the opportunity to take a break from swimming and relax.

Family Fun

Designed for smaller backyards and courtyards, this is the perfect compact family pool. This series proves that you don't need massive amounts of space in order to be able to create a functional pool area. As well as offering multiple seating areas, these models have a unique safety ledge, ideal for children and those learning to swim.

Design Features:

- Unique safety ledge for added safety
- Unobtrusive, side entry steps on both sides of the shallow end
- Extended bench seating area
- Optional hydrotherapy spa jets

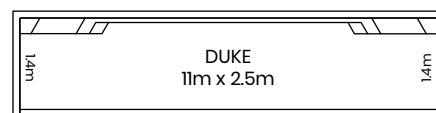

Courtyard **Entertainer**

The Bermuda is a medium-sized backyard corner pool with a difference, designed specifically to save you space. With a unique shape for those looking for a pool that will stand out, it features plentiful seating and spa jets. The Bermuda is the perfect pool to entertain guests or simply sit and unwind at the end of the day.

Design Features:

- Unique safety ledge, on both sides, an ideal rest point for children
- Slim 2.5m width to fit into narrow spaces
- Pool length is ideal for lap swimmers and exercise
- Twin side entry steps at both ends are the perfect spot to sit
- Extended Lifetime Structural Warranty

Laps of **Luxury**

The Duchess and Duke models are designed to be the perfect combination of lap pool and lounging. Whether you want to use your pool for exercise or find a place to relax and reflect, they've got you covered. With their sleek, narrow design, both models fit perfectly alongside your home. If you have a narrow courtyard space or grassed area at home, a lap pool can be an excellent way to inspire what might otherwise be an under utilised space.

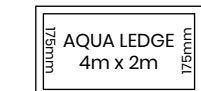

Design Features:

- Unique space saving corner design
- Generous seating and spa jets for relaxation
- Both pool and spa in the one design
- Twin side entry steps

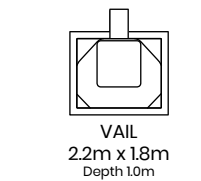

Smooth Curves

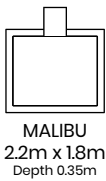

If a more traditional design is what you’re looking for, then you’re in luck. Set apart from typical geometric-shaped pools, there’s plenty of room for splashing around as well as relaxing, recreation and entertaining in these curvaceous designs.

- Features:**
- Can be added to any pool 4m and above
 - Add loungers to create the ultimate adult poolside relaxation zone

- Features:**
- Seats 7 adults
 - Six spa jets

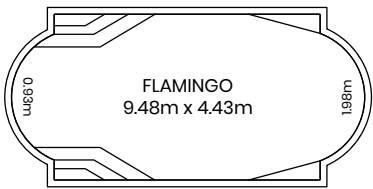

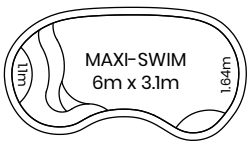

- Features:**
- Ideal shallow paddle area for children

Design Features:

- Ample seating areas for relaxing and entertaining on a hot day
- Corner swim-outs for easy exit from the pool
- Wide entry steps in the Maxi-Swim that double as a seating area

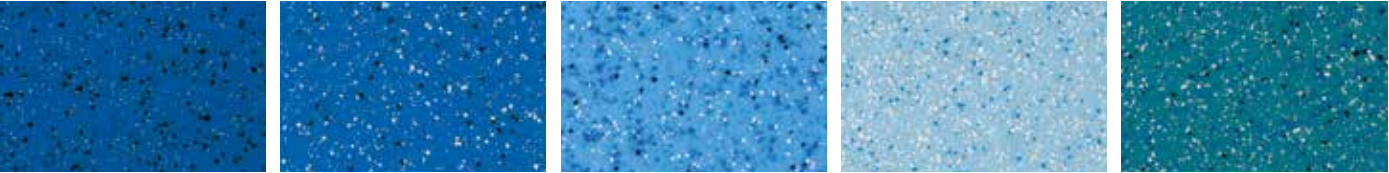

The Perfect Addition

Enhance your pool experience with the perfect addition of a Spillway Spa or Aqua Ledge. For the best of both worlds, choose the Vail Spa - perfect for unwinding in bubbling water at the end of the day. If you’re after a resort-style wading area, our Malibu Spillway or Aqua Ledge offers a shallow, safe zone perfect for kids to splash around. Take your outdoor oasis to the next level by adding Ledge Loungers to the Aqua Ledge, creating the ultimate retreat in your own backyard!

Our Colours

Choose a colour to reflect your outdoor space and style from our superior range of finishes designed to keep their good looks year after year.

Crystalite® ColourGuard
